Your Responsibilities

- Your role: **Coach** of one development team of the iPraktikum
 - You **support** in communication, agile methods, dealing with problems, ...
 - ... but you **don't do any development work**
- All **coaches meet weekly** to discuss the status of their project
- A coach can additionally lead one **cross project team**:
 - This semester: Modeling, Release& Merge Management, Usability Engineering
 - Required for a 10 ECTS practical course

Our Philosophy

“Tell me and I will forget.
Show me and I will remember.
Involve me and I will understand.
Step back and I will act.”

(Chinese Proverb)

Prerequisites

- You have already taken part in a project at the chair of Prof. Bruegge
- You are familiar with agile software engineering (e.g. Scrum)
- **You are motivated and can dedicate time to this course.** This means being flexible to adapt to your team
- You have several years of experience in object-oriented programming
- You have knowledge in mobile development (In particular iOS)
- You have excellent communication skills in English

Registration Process

1

Express your intention by filling out the form at <https://www1.in.tum.de/coaches19>
Latest: **February 07 - 1:00pm**

2

We invite you to a personal interview latest one day after
Interviews: **February 12 (09:00-18:00)**

3

After we have accepted you, prioritize the Seminar/Praktikum
“Agile Project Management” in the department’s matching system
Latest: **February 13**

We are looking forward to your applications 😊
